LOCATION SKETCH:

SURVEYOR'S AFFIDAVIT:

STATE OF WISCONSIN)
MILWAUKEE COUNTY)

SS

As Milwaukee County Surveyor, I hereby certify that following highway reconstruction I found a concrete monument with SEWRPC brass cap in a cast iron handhole; said concrete monument having been found and referenced by me as Milwaukee County Surveyor on June 24, 2004; said concrete monument having been set to mark the location of this corner in July 1988 by Kenneth E. Berke, S-107; said concrete monument

replacing a cast iron plug with cross set in the concrete pavement to mark the location of this corner in 1971 by Harold F. Lutz, Wisconsin Department of Transportation Project Engineer, following street reconstruction; replacing a cast iron plug with cross set in the concrete pavement to mark the location of this corner in 1953 by R.O. Schindelholz, Wisconsin Department of Transportation Project Engineer, following highway reconstruction; replacing an iron rod set in the concrete pavement to mark the location of this corner in 1923 by A.T. Bleck, State Highway Commission of Wisconsin Project Engineer, following highway reconstruction; replacing an old cut limestone monument set to mark the location of this corner in 1878 by Jonathan C. Crouse, Surveyor, in the conduct of the remonumentation of the Town of Greenfield; replacing in turn a wood post set to mark this corner in June 1836 by Elisha Dwelle, Deputy United States Surveyor, in the conduct of the original United States Public Land Survey; that I have referenced the same as shown hereon; and that this record is correct and complete to the best of my knowledge and belief.

DATE OF SURVEY: 24 October 2007

Kurt W. Bauer
 REGISTERED LAND SURVEYOR
